

Thinking About Starting Your Own Technology Company?

The ACTiVATE® Program is recruiting for the Class of 2010!

ACTiVATE® & INNOVATE!™ give you access to:

Experienced entrepreneurs to take you through proven, hands-on training and development; Ideas and leading-edge technologies around which to start your business; and a community of support from alumni (over 100), advisors, funders, and service providers.

ACTiVATE®

- Starting 6th year
- Technical & business-focus
- IT, bio, engineering
- Women only
- Classes at UMBC (Baltimore)
- Originally funded by NSF grant

INNOVATE!™

- Inaugural class
- Post-docs & business-focus
- Bio-emphasis
- Mixed-gender
- Classes at JHU-Montgomery County
- New NSF grant, based on ACTiVATE®

*“ACTiVATE® took me through the steps I needed to learn to start my technology company. **It changed my life.**”*

**Kris Appel, ACTiVATE®
Class of 2006**
Founder and President,
Encore Path, Inc.
